

Scoil Mhuire, Leixlip

Board of Management Monday 15th April 2024

Agreed Report

- The following Health and Safety Risk Assessments have been reviewed:
 - Violence and Aggression
 - School Security
 - First Aid and Administration of Medication
 - Lawnmower / hedge cutting
- The Board were given an update on the building works. A snag was completed over the Easter break on the windows and doors project and the final outstanding items are almost at completion level.
- Enrolment for the 2024-2025 school year was discussed.
- The Board are happy to report that all classes now have smart boards and we intend to invest in further technology once the IT Grant has been received from the Department.
- The Board received the final report from the Department following the Numeracy Curriculum Inspection.
- The next Board of Management meeting will be held on Tuesday the 11th of June.
