LIFESTYLE

Alaskan lifestyle is very different from ours! Alaskan live in wooden huts ,sometimes in forest like this woman to the right.

In some homes they're are no phones, TV's and sometimes no cars! But in some parts people live in cities with TV's ,phones and cars is Cities such as, Fairbanks , Juneau , Sitka, anchorage and Ketchikan

Traditions

Alaska Natives traditions are whaling, subsistence hunting and the old ways of making art and craft such as the totem pole to the right! One of the Most Biggest national dance in Alaska dances is Called the yup'ik [picture bottom right]

weather

Weather in the winter in Alaska can be very cold going from 0°F / 18°C to -30°F / -35°C from November to March! Some in the country have dogs to help pull their sleigh!

Weather in the summer can be 59°F (15°C) in Alaska! Going to Alaska in the summer is way warmer than going there in the icy cold winters!

Grizzly bears

- ◆ In alaska there are many different animals! But one of the most well know animals would be the grizzle bear ! Its life spawn goes up to 25 years and it can grow from 5 to 8 ft in size! It eats fish from rivers and its status protection at the moment is least concerned! There is many more different animals in Alaska

The beauty of Alaska

- ◆ The main reason I picked Alaska not for its weather or lifestyle or homes. Because in the winter time when you look up in the sky you see...

Northern lights

goodbye

I hope you enjoyed my project on Alaska! I really enjoyed doing it and I hope you enjoyed it 2.

tá súil agam gur bhain tú taitneamh as mo thionscadal ar Alaska! bhain mé an-taitneamh as é a dhéanamh agus tá súil agam gur bhain tú taitneamh as 2.

!slán go fóill!
