Food & Drink

Belgium is sometimes known for its food. Moules-Frites is one of their famous dishes. They are also known for Brussel sprouts. When you come to think about it, Brussel sprouts are actually named after the capital. Stoemp is another famous dish. This creamy dish is the superior version of your regular mashed potatoes and a staple of Belgium food. Genever is a famous Belgian drink. Genever does not have to have an apparent juniper aroma or taste to it. Traditional genever has an alcohol content of 35% - 38%.
