

ITALY

By William Whelan

ITALY Facts

- Population: Around 60 million
- Borders: France, Switzerland, Austria
- Currency: Euro
- Language: Italian
- Best known for: Art, architecture, fashion, food

Map of Italy

The map of Italy looks like one of my football boots!!

Famous Italian Landmarks

Colosseum

Famous arena in Rome where
gladiators fought

Trevi Fountain

Famous 18th century fountain in Rome

Leaning Tower of Pisa

The tower I think is falling over!

Famous Italian Food

PIZZA

As you can see from the Margherita pizza it has the same colours as the flag of Italy!

Lasagne

Lasagne is an Italian dish made up of layers of flat pasta with meat and tomato sauce inside, delicious!

Gelato

Italians love Gelato because it is low in fat compared to normal ice-cream that we eat so you can eat as much as you want -)

Bread

There are hundreds of different types of bread in Italy. Focaccia and Ciabatta are type of Italian bread.
