SESE (Our theme this week is 'Water')

Geography – The Water Cycle

1. Look at the video I have uploaded onto our webpage.

There are 3 parts to The Water Cycle:

- Evaporation
- Condensation
- Precipitation

A cycle happens when things go round and round. So.....

- Water is evaporated into the sky from rivers, seas and lakes.
- It forms droplets of condensation which in turn make clouds.
- When the clouds get too heavy, it rains or snows...this is called Precipitation.
- This lands in the rivers, seas and lakes (sometimes called Collection)....and the cycle starts again.

2. I have uploaded a worksheet onto our webpage. Fill in the blanks to complete the water cycle.

Religion

Grow in Love Theme 8: Lesson 1

1. Rewatch the video of 'Jesus' Promise to his Friends'.

Wednesday 27th May

English

1. Spelling Workbook Unit 16– Learn the next 4 words (Look, Say, Cover, Write, Check) and write them into your homework copy (3 times each). Write a sentence for one of the words. Complete Ex. 4,5 and 6 in your book.

2. Grammar – Finding the Meaning. As our poem this week is about the dictionary, I thought it would be a good idea for you to do some dictionary work of your own! (if you don't have a dictionary, you can always use Google!)

Sometimes, words sound the same but are spelled differently and have different meanings. These words are called *Homophones*. Look at the worksheet I have uploaded to our webpage and see if you can find a meaning for each set of Homophones.

Maths

1. Mental Maths - Wednesday p. 66

2. Practise your counting in 2s, 5s and 10s.

3. Revision - Subtraction. These can be done in your Maths copy.

SESE

Science – Water Energy

Water can be used to power machines and even to make electricity. We have a Hydro Electric Dam right here in Leixlip. I have uploaded a video to show you where abouts it is. I have also uploaded a video to show how water is used to spin cotton. Have a look at both videos and talk about how other uses we have for water.

Well done on all your hard work this week – you are all doing such a great job working from home – I know it is not easy!
