

Zoom Call Preparation

Prepare two short pieces to talk about during our class zoom call.

- 1.** My News - this should include your favourite thing about lockdown and what you missed most about school.
- 2.** A short presentation on a piece of work you completed at home that you are most proud of. Many of you did brilliant Intercultural Day projects so you could prepare a short piece on this. It could even be on a piece of art of a story you wrote.
