

# Ireland

Project

# Population

The population of ireland (since 2019) 4.9million.

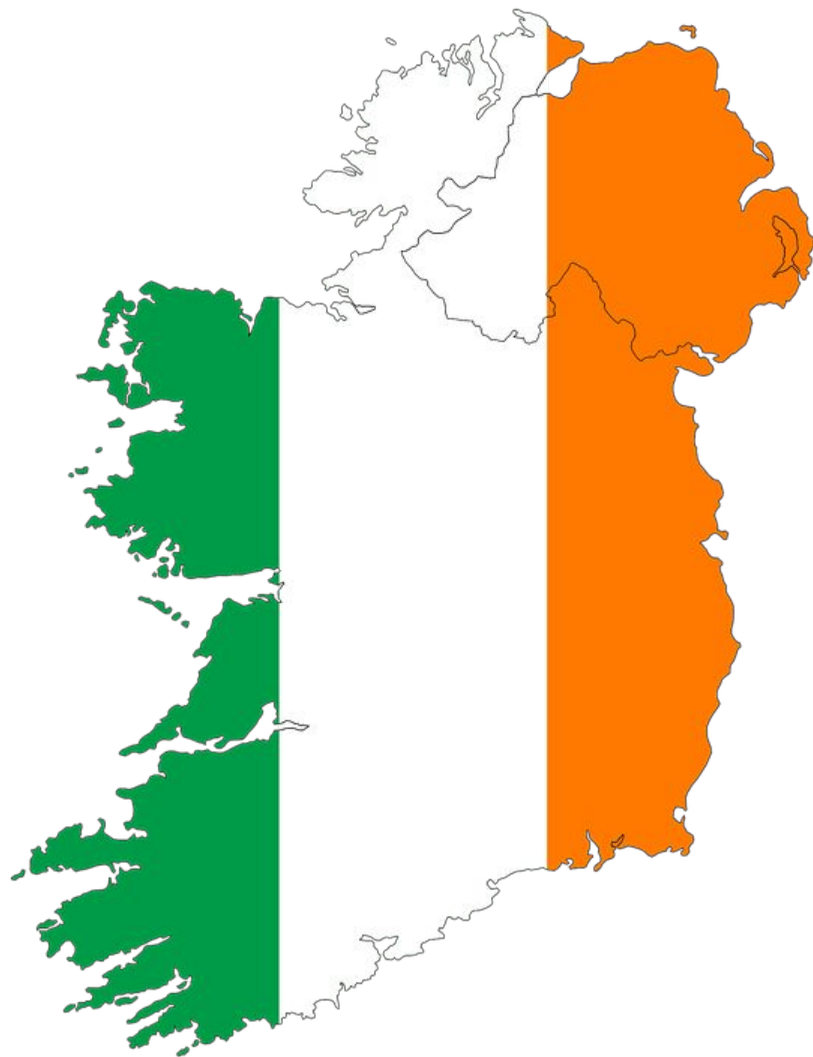

But ever since 2020 due to covid 19 the numbers might have dropped.

We do not know what the population of ireland is now because of coronavirus.

My guess is around 4.8 million but then again who knows!

**map**

# Culture

We celebrate saint Patrick's day he got rid of so called snakes even though there were no snakes to begin with. Vikings came to Ireland at first to steal all the gold in the monasteries but they founded a few counties like Dublin.

Ireland has had lots of famous writers, musicians and actors.

Four Irishmen have won the Nobel Prize in Literature: William Butler Yeats (1923), George Bernard Shaw (1925), Samuel Beckett (1969) and Séamus Heaney (1995)

U2 are a world famous Irish rock band and Hozier has been nominated for a Grammy

# TAYTOS

Taytos are a very popular brand of crisps we even have an amusement park after it.

The most famous flavour of taytos is cheese and onion.

## Fun facts

- More irish people live abroad than people living in ireland.
- Roughly 2% of people speak irish in their daily lives.
- Saint patrick was roughly 200 years old
- Ireland was one of the few countries that did not get conquered by the roman empire

# music

Ireland has its own kind of dancing called irish dancing.every year we do irish dancing called the ceilidh. Here are names of famous irish songs Dubliners,the sailor's bonnet and my lagan love.
