Scoil Mhuire is a Catholic co-educational primary school with a Catholic ethos under the patronage of the Catholic Archbishop of Dublin. Scoil Mhuire shares a campus with Scoil Eoin Phóil and Scoil Bhríde, both Catholic schools under the patronage of the Catholic Archbishop of Dublin.

“Catholic Ethos” in the context of a Catholic primary school means the ethos and characteristic spirit of the Roman Catholic Church, which aims at promoting:

- (a) the full and harmonious development of all aspects of the person or the pupil, including the intellectual, physical, cultural, moral and spiritual aspects
- (a) a living relationship with God and with other people
- (b) a philosophy of life inspired by belief in God and in the life, death and resurrection of Jesus
- (c) the formation of the pupils in the Catholic faith.

Scoil Mhuire provides religious education for the pupils in accordance with the doctrines, practices and traditions of the Roman Catholic Church, and/or such ethos and/or characteristic spirit as may be determined or interpreted from time to time by the Irish Episcopal Conference.

In accordance with S.15 (2) (b) of the Education Act, 1998 the Board of Management of Scoil Mhuire shall uphold, and be accountable to the patron for so upholding, the characteristic spirit of the school as determined by the cultural, educational, moral, religious, social, linguistic and spiritual values and traditions which inform and are characteristic of the objectives and conduct of the school.

See Mission Statement below which reflects the school and its ethos:

### **Scoil Mhuire Mission Statement**

Scoil Mhuire is a Catholic co-educational mainstream school with two ASD classes, under the patronage of the Archdiocese of Dublin, providing education to children from the local community in the Parish of Leixlip. We aim to create a safe, welcoming and inclusive learning environment where all pupils are encouraged to reach their full potential. We embrace diversity and strive for the inclusivity of all, placing emphasis on the holistic development of every pupil.

We have high expectations for our pupils and through the Primary School Curriculum, the pupils' intellectual, spiritual, moral, emotional, creative, physical and social wellbeing is nurtured and developed. We promote in our pupils, the Christian values of honesty, kindness, patience, equality, forgiveness, thankfulness, friendship and most importantly respect – for themselves, for others, for property and for the environment.

Through the curriculum and through extra-curricular activities, we encourage our pupils to develop their social and communication skills, their talents and their confidence and we endeavour to build resilience in our pupils to prepare them for the ever-changing world we live in.

Scoil Mhuire promotes the ongoing professional development and wellbeing of its staff. Our teachers, SNAs and ancillary staff work in partnership to meet the children's needs in a well organised and well-resourced environment. We recognise the benefits of a good work ethic, the importance of reflective practice and the need for regular self-evaluation. We value parents and guardians, as the primary educators and encourage their participation and support in the education of their children. We also maintain strong links with the wider community of Leixlip.

With our staff, pupils, parents, the Board of Management and the Parent Teacher Association working together as a team, we believe we can provide the high-quality education to our pupils that Scoil Mhuire has a tradition of providing. As is visible on our school crest, our purpose is 'Fás agus Foghlaim'.

### **3. Admission Statement**

Scoil Mhuire will cooperate with the NCSE in the performance by the Council of functions under the Education for Persons with Special Educational Needs Act 2004 in relation to the provision of education to children with special educational needs, including in particular by the provision and operation of a special class or classes when required to do so by the Council.

Scoil Mhuire will comply with any direction served on the board or the patron under Section 37A and 67(4)(b) of the Education Act 1998.

Scoil Mhuire will not discriminate in its admission of a pupil to the school on any of the following:

- (a) the gender ground of the pupil or the applicant in respect of the pupil concerned
- (b) the civil status ground of the pupil or the applicant in respect of the pupil concerned
- (c) the family status ground of the pupil or the applicant in respect of the pupil concerned
- (d) the sexual orientation ground of the pupil or the applicant in respect of the pupil concerned
- (e) the religion ground of the pupil or the applicant in respect of the pupil concerned

- (f) the disability ground of the pupil or the applicant in respect of the pupil concerned
- (g) the ground of race of the pupil or the applicant in respect of the pupil concerned
- (h) the Traveller community ground of the pupil or the applicant in respect of the pupil concerned,
- (i) the ground that the pupil or the applicant in respect of the pupil concerned has special educational needs.

As per section 61 (3) of the Education Act 1998, 'civil status ground', 'disability ground', 'discriminate', 'family status ground', 'gender ground', 'ground of race', 'religion ground', 'sexual orientation ground' and 'Traveller community ground' shall be construed in accordance with section 3 of the Equal Status Act 2000.

Scoil Mhuire is a Catholic school whose objective is to provide education in an environment which promotes certain religious values and does not discriminate where it refuses to admit as a pupil, a person who is not Catholic and it is proved that the refusal is essential to maintain the ethos of the school.

#### **4. Categories of Special Educational Needs Catered for in the School/Special Class**

Scoil Mhuire is a mainstream school. Scoil Mhuire, with the approval of the Minister for Education and Skills, has established two classes to provide an education exclusively for pupils with Autistic Spectrum Disorder (ASD).

Scoil Mhuire welcomes children with other special educational needs (SEN). They are taught in mainstream classes with support from the teachers on the special education team (SET).

#### **5. Admission of Pupils**

This school shall admit each child seeking admission except where –

- (a) the school is oversubscribed (please see section 6 below for further details)
- (b) a parent /guardian of a child, when required by the Principal in accordance with section 23(4) of the Education (Welfare) Act 2000, fails to confirm in writing that the Code of Behaviour of the school is acceptable to him or her and that he or she shall make all reasonable efforts to ensure compliance with such code by the child
- (c) Scoil Mhuire, as a Catholic school, may refuse to admit as a pupil a person who is not Catholic where it is proved that the refusal is essential to maintain the ethos of the school.

##### **5.1. Common Enrolment Procedures**

Scoil Mhuire operates Common Enrolment Procedures for Mainstream Classes with Scoil Eoin Phóil and Scoil Bhríde as the schools are three identical Catholic, co-educational,

vertical schools sharing the one campus. These Common Enrolment Procedures were established in 1980 and elaborated upon in the context of changing circumstances over the years. These procedures have worked very successfully because of the close working relationship that exists across all three schools. Parent(s)/Guardian(s) enrol children in any of the three schools in line with the Common Enrolment Procedures. Scoil Mhuire and Scoil Bhríde operate the same Common Enrolment Procedures for the ASD classes in both schools.

Arising from these procedures the Boards of Management will apply these criteria in enrolling children, particularly children for Junior Infants:

- (a) Children who have siblings/stepsiblings in Scoil Mhuire will be allocated a place in the school, provided there are enough children enrolled across the three schools to enable Scoil Mhuire to form a Junior Infant class in a particular year.
- (b) In the event that there are more children with siblings/stepsiblings in Scoil Mhuire than can be accommodated in the class(es) being formed, then children will be allocated places in Scoil Mhuire by lottery. The lottery will take place at the common enrolment committee meeting. Children, not allocated a place in Scoil Mhuire by this process, will be allocated places in one of the other schools; Scoil Eoin Phóil or Scoil Bhríde (by lottery if both schools are forming classes.)
- (c) In the event that a sufficient number of children have not been enrolled across the three schools to warrant the establishment of a Junior Infant class in Scoil Mhuire, applicants who already have siblings/stepsiblings in Scoil Mhuire will be allocated places in one of the other schools by lottery at the common enrolment committee meeting.
- (d) Children who do not have siblings/ stepsiblings in Scoil Mhuire or in either of the other two schools, will be allocated places by lottery at the common enrolment committee meeting.
- (e) As part of the Common Enrolment Procedures personal data supplied on the application form, where necessary to facilitate the admission process, may be shared with the other schools on the Green Lane campus.
- (f) where families are enrolled in more than one school, subsequent members of those families will be allocated places in the school the youngest member of the family attends
- (g) where the Boards of Management are agreed that a child needs to repeat a class for educational reasons and a class does not exist in which that child can repeat in his/her own school, that child (but not his/ her siblings/stepsiblings) may transfer to another school in the campus.
- (h) In the event of a pupil returning to the Green Lane Campus having previously been on the roll in one of the schools, they will be allocated a place in their original school.

If there is no place available in the original school, they will be allocated a place in one of the other two schools on the campus, where there is a place.

The basic principles underpinning the Common Enrolment Procedures are:

- (i) to keep families in the same school while keeping a balance both in pupil and teacher numbers across all three schools
- (ii) in the event that one or other of the schools is unable to accommodate Junior Infants, family members on these occasions will be enrolled in one of the other two schools

## **5.2. Common Enrolment Committee Meeting for Mainstream Classes**

The meeting to allocate places in Scoil Mhuire, Scoil Eoin Phóil and Scoil Bhríde will be attended by the Common Enrolment Committee consisting of the Principals of Scoil Mhuire, Scoil Eoin Phóil and Scoil Bhríde and the Chairpersons of the Boards of Management of Scoil Mhuire, Scoil Eoin Phóil and Scoil Bhríde on an agreed date and time.

Where there are sufficient places available, the siblings and step siblings of currently enrolled pupils will be allocated places in the relevant school.

All other children will then be allocated a school by lottery.

The allocation will be recorded by the Chairpersons and verified by the Principals.

Where the total number of applicants exceeds the total number of places available the criteria in Section 6 (below) will be applied.

## **5.3. Common Enrolment Committee Meeting for ASD Classes**

The meeting to allocate places in Scoil Mhuire and Scoil Bhríde will be attended by the Common Enrolment Committee consisting of the Principals of Scoil Mhuire and Scoil Bhríde and the Chairpersons of the Boards of Management of Scoil Mhuire and Scoil Bhríde on an agreed date and time.

Where there are sufficient places available, the siblings and step-siblings of currently enrolled pupils will be allocated places in the relevant school.

All other children will then be allocated a school by lottery.

The allocation will be recorded by the Chairpersons and verified by the Principals.

Where the total number of applicants exceeds the total number of places available, the criteria in Section 6 (below) will be applied.

The Board of Management has agreed that Scoil Mhuire will accommodate a maximum of two classes for children with Autistic Spectrum Disorder (ASD)

The Department of Education and Skills states that the ratio for each class is a maximum of six pupils to one teacher.

The ASD classes cater for pupils of Primary school age only

In order to be considered for a place in the ASD classes, each child must have a clinical diagnosis of Autism / Autistic Spectrum Disorder made using the DSM-IV / DSM V or ICD 10 by a clinical psychologist, a psychiatrist or a multi- disciplinary team.<sup>1</sup>

It is best practice that each child has a recommendation from clinical services outlining that the child needs the level of provision that is provided for in an ASD class only.

## **6. Oversubscription**

### **6.1. Oversubscription for Mainstream Classes**

In the event that Scoil Mhuire is oversubscribed, the school will, when deciding on applications for admission, apply the following Common Enrolment Procedures criteria in the order listed below to those applications that are received within the timeline for receipt of applications as set out in the school's Annual Admission Notice:

- (i) category (c) above will not be accommodated.
- (ii) Should there still be oversubscription category (b) above will not be accommodated.

---

<sup>1</sup> Reports and assessments will provide proof of this diagnosis.

<sup>2</sup>Proper documentation as determined by the Board of Management will have to be provided to prove residency status in the parish area. See Appendix 1, Parish Area of Leixlip.

In the event that two or more children are tied for a place or places in any of the selection criteria categories above (the number of applicants exceeds the number of remaining places), the following criteria will apply:

- The eldest child in each category will have priority in each ranking
- Where children share the same date of birth a draw will take place to decide on the admission. The draw will be overseen by an independent person.

## **6.2. Oversubscription for ASD Classes**

- The eldest child in each category will have priority in each ranking
- Where children share the same date of birth a draw will take place to decide on the admission. The draw will be overseen by an independent person.

In the event that there are no vacancies in the ASD classes for a particular year, in the case where there are already 6 pupils in each of the three ASD classes on the Green Lane Campus (Department of Education and Skills guidelines for ASD classes), no places will be offered.

## **7. What Will Not Be Considered or Taken into Account**
